### ( NOTES )

- ※ Submission is possible only when one of the above reasons for request is applicable.
- ※ The admission fee payment postponement means that the payment due date is extended for those who have difficulty paying the enrollment fee by the payment due date. It is not reduced.
- ※ If you wish to apply for admission fee exemption or collection deferment, please do not pay the admission fee until the result is notice. Enrollment fees that have already been paid will not be refunded for any reason.
- ※ If you do not submit this request form within the enrollment procedure period, you will not be able to apply for exemption or payment postponement.
- ※ As soon as you enter the school, you will need to apply (submit all the necessary documents, etc.) within the prescribed period. This request form alone does not constitute an application.
- ※ In addition, your application does not necessarily mean that you will be exempted or postponed. Be sure to consider the measures to be taken in the event that exemption is not granted.
